Address to:

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner of Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on:

Date: **March 4, 2005**

We have compared the above patent with the application as filed and have found an error in the printing of the patent. We respectfully request that the enclosed Certificate of Correction on Form PTO-1050 be issued correcting the mistake set forth therein under authority of 35 U.S.C. §254. The exact column and line number where the error occurs in the patent is listed on the enclosed certificate.

The error that appears in this patent is by virtue of Applicant's mistake and is of a clerical, typographical or minor nature or character and occurred in good faith. Specifically, a declaration signed by co-inventor Igor Raiko was submitted to the Patent Office in the Response to Notice of Missing Parts filed on March 11, 2002 – however, the inventor was not listed on the filing receipt or on the cover page on the patent. Thus, correction thereof does not involve changes in the patent as would constitute new matter or would require reexamination.

The Commissioner is hereby authorized to charge payment of the 37 C.F.R. § 1.20(a) certificate of correction fee of \$100.00 to the deposit account of **Kenyon & Kenyon**, deposit account number **11-0600**. The Commissioner is also authorized to charge any additional fees or credit any overpayment in connection with this paper to Deposit Account No. **11-0600**. A duplicate of this transmittal is enclosed for charging purposes.
